

Hello to all our new and existing patients.

UPDATES FROM THE PRACTICE

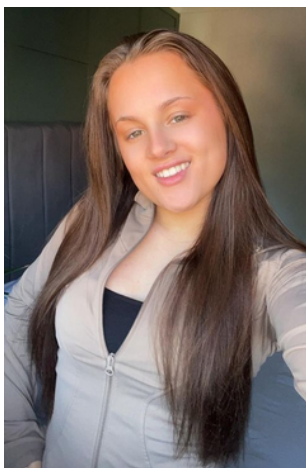

Spring is finally here! As the days get longer and the sun begins to make its appearance, we have some exciting updates to share with you from our practices!

Welcoming Amelia Back! We're delighted to announce that our wonderful hygienist, Amelia, will be returning to our Skipton practice in April! She will be working one day a week (Wednesdays), and we know many of you will be thrilled to see her back. Be sure to book in early to secure your appointment!

Exciting News for our nurses Sophie & Catherine! A huge congratulations to our amazing nurses, Sophie & Catherine, who are both heading to university this September to train as a Dental Therapist & a Dental Hygienist! We are so proud of them both for taking this next step in their careers, and we know they will be fantastic in their new roles. We'll miss them at the practice, but we wish them all the best in their studies. Who knows, they may come back and work with us once they are qualified!

New Team Member, Alarna!

We're thrilled to introduce Alarna, the newest member of our dental team! She will be joining us as a Dental Nurse bringing her skills, enthusiasm, and friendly smile to our practice.

Alarna is passionate about patient care and is excited to meet you all. Please join us in giving her a warm welcome when you see her at your next appointment!

ILKLEY DENTAL CARE & BELLE VUE DENTAL PRACTICE

TREATMENT SPOTLIGHT

Implants

Are you missing a tooth or struggling with dentures? Dental implants could be the perfect solution for you! We proudly offer Straumann Implants, a leading brand known for its quality and durability. Implants provide a natural look and feel, restoring confidence in your smile.

Dr Colm Hicks is our Implantologist who has undertaken training to provide the best quality Implants for our patients.

“Having over 10 years’ experience in oral surgery, it has always been very rewarding helping patients through the journey of having difficult teeth removed. It's not always an option or the best option to replace teeth by more traditional means such as dentures or bridges therefore by providing implants, I can help patients continue that journey in a positive manner restoring their function, aesthetics and ultimately confidence. A happy patient is a happy me!”

Initial Consultation: Starting from £125

What Are Implants Used For?

- Replacing single or multiple missing teeth
- Providing support for dentures
- Restoring function and aesthetics after tooth loss
- Preventing bone loss in the jaw

Implant Treatment Cost: Approx. £3,000
(varies based on individual cases)

Why Choose Implants?

- Long-lasting and durable
- Helps preserve jawbone and facial structure
- Feels and functions like a natural tooth

Why Choose Us?

Dr Colm Hicks will guide you through the process and create a tailored treatment plan to suit your individual needs.

Ready to Take the First Step?
